Letter from the Director

Dear Residents,

I hope you are all enjoying the fall weather. The Library is open and we are offering a variety of online programs for all ages, outdoor programs, and take-home crafts for children. We also have several volunteer opportunities for teens that you can take advantage of.

We are making every effort to keep the patrons and staff safe, and to meet the New York State safety regulations. When visiting the Library, please remember that a face covering is required at all times for patrons and staff, and everyone must practice social distancing. You will see plexiglass barriers have been installed at desks where patrons and staff interact, and the building is disinfected frequently.

If you call and let us know what materials you want to borrow, we will have them checked out and waiting for you in the lobby for contactless pickup. If you are uncomfortable entering the building, you can call us from your vehicle and we will leave your items on the porch.

We appreciate your support and cooperation during this difficult time.

I look forward to seeing you at the Library!

Sincerely,
Dr. Roger Podell
Executive Director
